Dedication

This year we are proud to dedicate our 1987 Portrait to *Mr. Leland Dunnells*. Many of us have had the chance to come into contact with Mr. Dunnells either in class or outside of school. Those of us who have been in his classes have experienced his in-depth knowledge of Biology. Without his personality and sense of humor, Biology would have been just another class.

Although Mr. Dunnells has retired he will always be remembered by those students who were privileged to share a year in his room. To those students who were not so fortunate, they are missing a great teacher and a wonderful person. The class of 1987 would like to extend a happy retirement and best wishes to Mr. Leland Dunnells.

Happy Retirement!

Mrs. Dorothy Robinson

Mrs. Helen Armstrong

Mr. Albert Scott

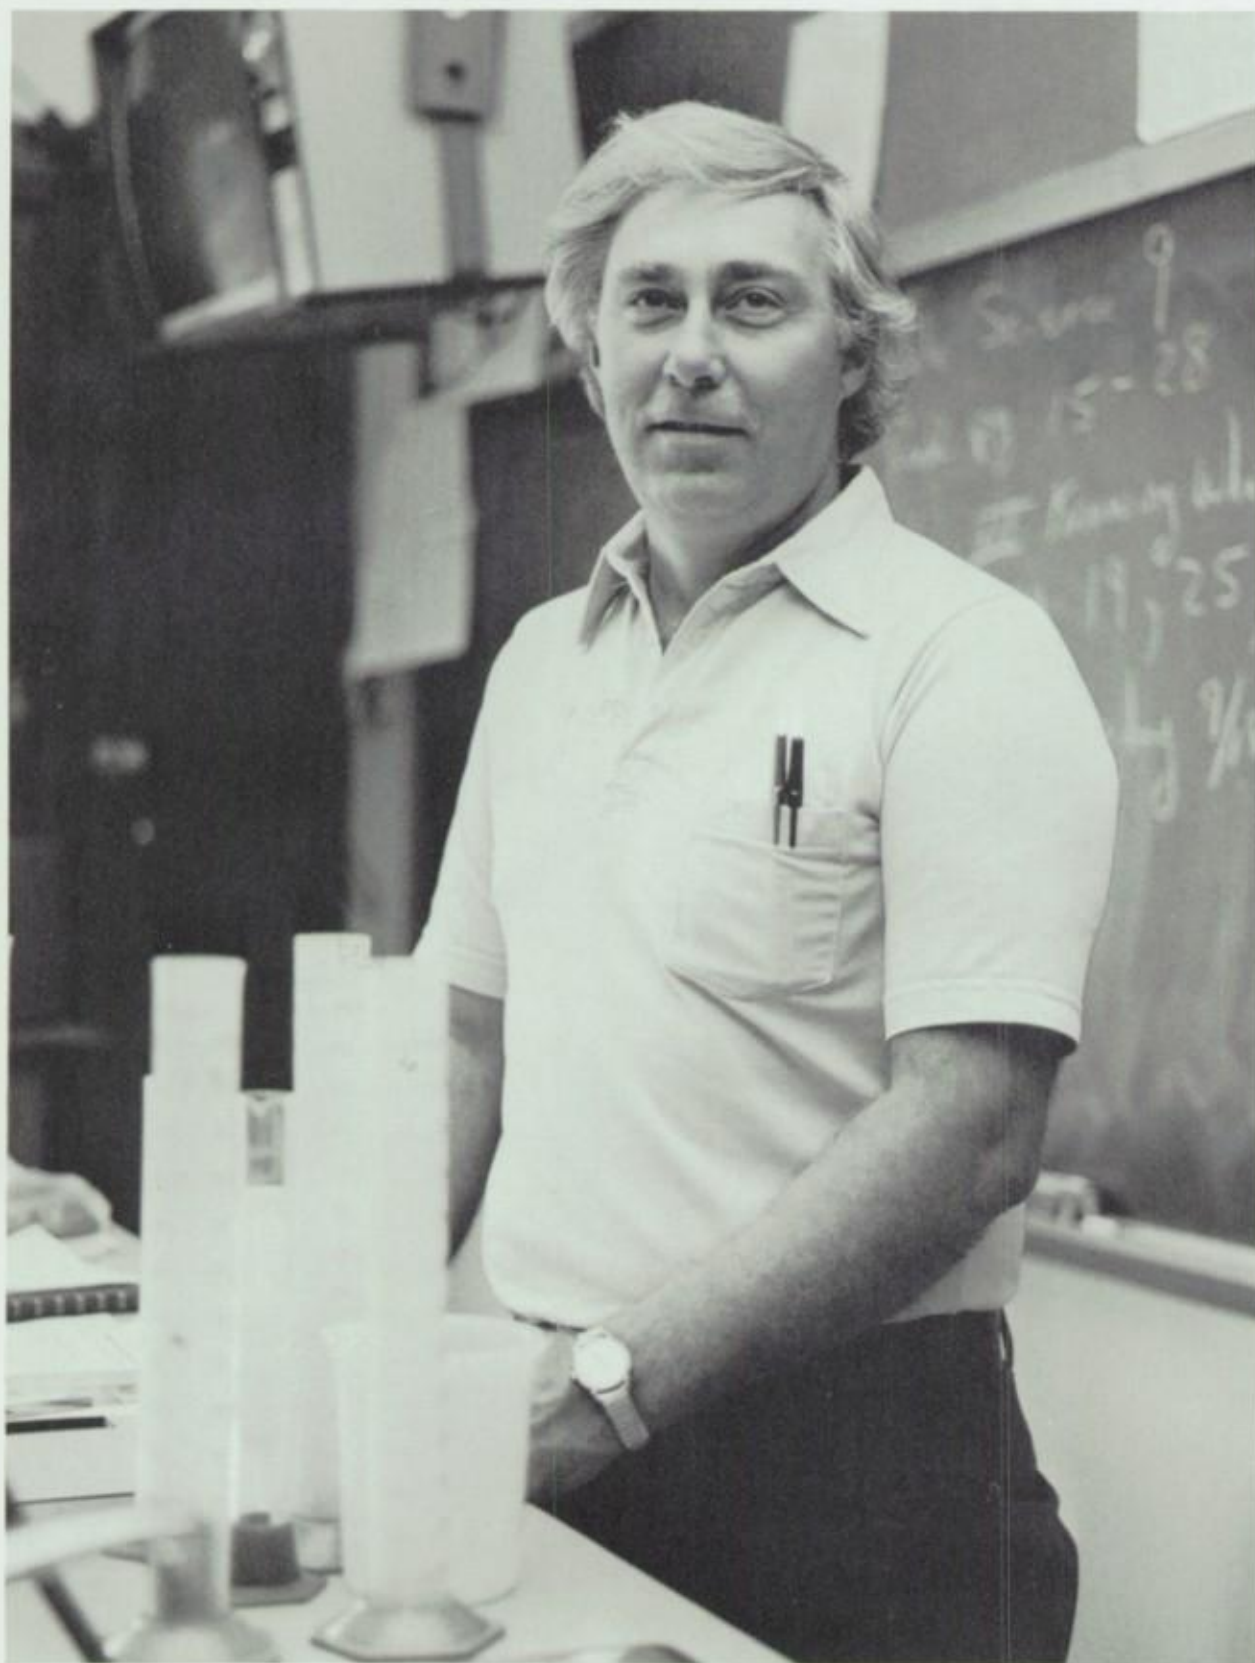

Mr. Leland Dunnells

Mr. Louis Lapi

In Appreciation

We the class of 1987, would like to express our sincere thanks to *Mr. Doug Simmons* for his time and dedication.

As an advisor since the seventh grade, Mr. Simmons has always been there to provide leadership and assistance. Without his support the junior Prom and Senior Trip could not have been a success.

Mr. Simmons will not only be remembered for his involvement in school, but also as a good friend.

Thanks again for everything!

This year's Foreign Exchange Student is Suzanne Weiss. She is from Struemp, Germany. Struemp is approximately the same size as Fort Plain. Sue has one older sister and one younger sister. She currently speaks German, French, and English. This is not Sue's first time as a Foreign Exchange Student. She has been a student in France and England.

Her interests consist of skiing, jazz dance, talking to people, knitting, laughing, and cooking. Sue said that she really likes it here. She enjoys the people, the school, and her family. She has learned a lot more about the culture of the United States. "To keep herself busy and in shape", Sue has joined the Cheerleaders with their aerobics. She said that this was the closest thing to jazz dance.

We, the Class of 1987, wish Suzanne the best of luck in her future years in Germany. She has three more years of school but hopefully her school will count this year so then she only has two more years. We enjoyed having Sue as a member of our class and we hope that she enjoyed her stay in Fort Plain just as well! Best Wishes!

"A Night in Paradise" May 17, 1986

The evening of May seventeenth was a memorable event for all who attended the 1986 Junior-Senior Prom. The theme, "A Night in Paradise", was well represented by the beautiful decorations. The lighted sunset, the palm tree scenery, and the two docks caught the attention of everyone who arrived that night. The couples were entertained by KGB. At midnight the coronation began. The theme song, "One More Night" by Phil Collins, was played as the King, Queen, Prince, Princess and their courts danced. By the end of the night, everyone knew that "A Night in Paradise" would be treasured forever.

The Class of 1987 would like to extend a special thanks to Mr. Doug Simmons, Miss Anne Tarbox, and the mothers of the Class of 1987 for all their help and dedication.

Student Council

In October, the Fort Plain Chapter of Future Farmers of America participated in the Cobleskill High School Days. To start things off, the 3,000 students at the event had the opportunity to see a 20-minute film about SUNY at Cobleskill. Afterwards the students went to their prospective contests. The purpose of the contests are many, but basically, they are to further develop the students' skills in decision making, mechanical mastery, knowledge in identification and operational skills.

The contests were divided into four categories: 1) ag-business; 2) ag-engineering; 3) agronomy and plant Science; and 4) animal husbandry/fisheries and wildlife.

Students at Fort Plain placed at the contest; a summary of the results are as follows: Second team place in two wheel tractor driving- Charles Brownell, Ken Baker; 11th place individual two wheel tractor driving- Jim Aksztulewicz; 12th place individual two wheel tractor driving- Steve Kennerknecht; 13th place individual two wheel tractor driving- Ken Baker.

First place individual four wheel tractor driving- Charles Brownell; 10th place dairy cattle judging team- Greg Crouse, Devin Fisher, Todd Oldick, Mike Weingart; third place horse judging- Rich Kennedy; third place meat identification- Jim Lapi; sixth place in crop judging- Jim Brownell; second place weed identification- Jim Aksztulewicz.

First place insect identification- Steve Kennerknecht.

The Varsity team ended the season on a happy note winning their last 2 games of the year. Effort and dedication to the game led to improvement in the soccer skills throughout the season. Jackie Kretser was selected on the second team of the Tri-Valley League All Stars. Honorable mention in the league were awarded to Jennifer Hill, Kelly Simmons and Missie Johnson who was top scorer of the team with 13 goals. Good luck to the seniors in their future endeavors.

Boys Varsity Soccer

The Fort Plain Boys' Varsity Soccer team completed its third season in the Tri-Valley League. The team had a league record of 2-10 and an overall record of 5-12. The boys got off to a fast start, winning their first three games. The first two wins came in the Fort Plain Sports Booster Tournament which gave the Hilltoppers their first tournament championship.

After a 1-0 loss to defending champs Galway and beating St. Johnsville at home 5-2, their record stood at 4-3. However, injuries and the tough league schedule began to take its toll. The quality of play was vastly improved, but still inconsistent. Part of this was due to the fact that many of our players are young and inexperienced. Next year we are looking forward to continued improvement. We will have ten players returning to the varsity and a good group of players coming up from the modified team.

1987

The Cross Country teams had another successful year, capturing numerous team and individual awards throughout the season.

The boys team was undefeated in dual meets while winning the Tri-Valley League and Class D Sectional titles. The junior varsity team was undefeated and shut out all opponents in three invitationals. The boys teams have lost only three dual meets in three years. The graduation of the seniors will leave some gaps to be filled next year.

Gail Mello (89), Joe Mello (87) and Rich Bower (87) qualified for the Invitational Meet in Buffalo and were invited to the State Federation Meet in New York City.

Volleyball

The changing of volleyball from a winter sport to a fall sport was a factor in this years volleyball record of 1 -15.

The team was comprised of one member with some varsity experience and the remainder with jayvee experience.

Highlighting the season was a two straight games upset of Cobleskill (co-division leader) which had earlier in the season defeated the Hill-toppers. The second highlight was throwing a scare into Canajoharie (co-division leader) by extending the Redskins to three games.

Our girls were complimented during the second half of the season by officials and opposing coaches for the improvement they made on the season. These compliments were earned because as the season progressed, the girls improved their serving considerably, their setting and passing skills noticeably, and to some extent their spiking ability.

Here's to an improved season next fall!

Girls Track

Members of the girls track team reached a number of personal goals this season. Three of the girls broke school records. Eighth grader Kim Sgambato broke the record in the 200 meter dash with a new mark set at 28.7 Kim Schmiedel set a new record of 63.8 in the 400 meter Dash and placed 5th in that event at the sectionals. Gail Mello placed 2nd in the 1500 meter run at the class C sectionals and also set a new school record for that event running the distance in 5:10.6.

The girls 3200 meter relay team once again captured the Class C sectional record. Team members Missy Young, Krys Sgambato, Gail Mello and Kim Schmiedel ran the race in near record time 10:42.9 only 3 seconds off the school record.

I am very pleased with all the girls that completed the season. Every member of the team made unbelievable improvement.

Mr. H. Glenn Remington

Dear Graduates:

The years have passed by rapidly and your high school education is at an end. For some of you it is a stepping stone to higher education; for others it is the end of your formal schooling. I hope that it has been a fruitful experience that has helped to form you both intellectually and socially into better men and women. Many of you have given freely of yourselves for the benefit of Fort Plain, in the classroom and in extra-curricular activities, and as spectators at school events. May you continue your loyalty and interest in your Alma Mater as it will remain interested in you.

I hope that through your activities here you have developed a keen sense of what is really important in life and that you will continue to maintain everything in its proper perspective. Then you will be ready to accept your responsibilities to live as a good citizen and to adhere to your convictions with courage and constancy.

Your challenge as a mature educated "Hilltopper" of the twentieth century is to carry excellence into the home, the business firm, the law office, the farm, the hospital ward . . . wherever you go . . . so that you will be better known and loved because of your example.

I wish you all unlimited successes and continuous prosperity.

Sincerely,
H. Glenn Remington, III

Student Council

The Student Council has again been a very active and positive force within the school. It has provided the leadership for numerous dances that were enjoyable for all. The 2nd annual Christmas Ball was an exciting highlight of the year. In December, the Council held a Slave Auction that turned out to be profitable. Moving Up Day was well planned for the 3rd year in a row and the participation from the student body and faculty was outstanding. For the first time the Student Council planned a Winter Carnival Week and ended with the Winter Games on Friday. Mother Nature didn't keep anyone from having fun nor from taking a break from the usual school day.

Other activities worked on by the council were the Fall Pep Rally, the hall calendar changed each month, Beamers, and an exchange program.

The sixteen members of the Council and Mr. Phillips enjoyed the year working on these projects and providing the leadership needed at F.P.C.S. There was a noticeable growth in school spirit and the atmosphere within the building was relaxed. Overall, the 1987 Student Council had a pleasurable year and wishes the Seniors the best of luck in their futures.
